

Interruption to power supply

To: Mark Farran

Property: Jamieson St - Blaxland Riverside and Newington Armoury

Ausgrid is carrying out essential upgrade and maintenance work on the local electricity network. Crews plan to complete work on a transformer that powers your area.

Power supply to your building will be temporarily interrupted to allow crews to safely do the work.

Planned power interruption

Start: 6:00am on 05 Aug 2020

Finish: 6:30pm on 05 Aug 2020

Duration: 12.5 hours

Our aim is to minimise disruption caused during the work, however, unforeseen circumstances or weather may impact the start and finish times listed above.

We apologise for the inconvenience this essential work may cause.

Your responsibilities

You are responsible for making arrangements for the safety and security of the building and all occupants. This includes notifying relevant emergency services, such as the fire department, and arranging for alternative generators to power essential services.

Any lifts must be brought to ground level and locked before the interruption

You may also need to arrange for an authorised electrician or maintenance manager to meet with the Ausgrid network operator if times and details are provided below:

to interrupt power supply to the building;

to reconnect power supply.

Please notify

of the name and mobile number of the authorised person **at least seven (7) days** before the interruption date.

Please notify tenants/staff and associated businesses of this interruption.

Please remind them to take some basic precautions before and during the interruption to avoid possible damage:

- Ensure mobile devices are fully charged.
- Unplug or switch off appliances or sensitive electronic equipment including water pumps and threephase motors associated with air conditioning units and lifts.
- Make sure that any alarms operate correctly without mains power.
- Avoid opening fridges or freezers during the interruption.
- You do not need to switch off or adjust any solar installation.
